## **TIME TO CELEBRATE & SAVE!**

We're proud to announce that FootageBank is celebrating its 10th birthday! Wow, time flies when you're having fun, and we are so grateful to you, our clients, for making it so!

The support you've given FootageBank over the last 10 years has kept us in constant motion. When we opened our doors in April 2002, we were pioneers in the HD footage marketplace. Now we are leaping into even larger formats, such as 3D and 4K clip licensing, and offering even better service to you – our customers. Within the next few months, we will launch a new website with more technology to keep you moving forward on your projects as well.

Please celebrate our birthday with us by mentioning this email to receive a 10% discount on your next order.
