

## Congratulations Patti!

ABC Library Sales would like to congratulate our Archives Researcher Extraordinaire, Patti Tsarouhis, who has been nominated for **Footage Employee of the Year** at the 2013 FOCAL (Federation of Commercial Audio Visual Libraries) International Awards. This award recognises employees who have demonstrated outstanding skill, dedication, and customer service, in the area of footage research and supply.

Patti has done an excellent job sourcing ABC archive footage for our clients, in particular for the SBS series, *Once Upon A Time in Cabramatta*, and the award winning documentary, *The Tall Man*, which explores the issue of racism in Australia.

The winners will be announced at the FOCAL International gala dinner and awards ceremony, held on the 2nd of May 2013, at the London Lancaster Hotel.

The Library Sales team wish Patti the very best of luck!
