

**We hope you all had lovely holidays.  
Check out below for a quick update from the home of affordable  
footage!**

### **LBJ and the Vietnam War**

2015 sees 50 years since the escalation of the Vietnam War. Footage Farm has hundreds of hours of both raw and edited footage of the Vietnam War. View a sample of our footage [here](#).

The very same year US president Lyndon B Johnson introduced his "Great Society", endeavouring to tackle racism and poverty, and in the West a new optimism began to emerge.

to browse our US Civil Rights footage or give us a call for further info.

### **New in**

We are constantly accessioning new material and latest notable arrivals are: Footage of the War in Afghanistan 2001 onwards showing US and British operations.

Gulf and Iraq Wars - US operations.

Further rare footage of the Western Front in WW1.

Contemporary (2014) rushes of New York City.

### **On a lighter note...**

As the London Fashion week just swept by, [here's](#) a look at bolder times, 1967 London.
