

SHORT NEWS ITEM WINTER SCHOOL 2018 (NEWSLETTER)

Apply now for Winter School for Audiovisual Archiving

This February, the Netherlands Institute for Sound and Vision organises its third *Winter School for Audiovisual Archiving*. The training will be held on 7, 8 & 9 February 2018 on the Sound and Vision premises in Hilversum, The Netherlands.

The three-day training session offers audiovisual collection managers the necessary knowledge and skills to implement or improve the digital preservation management of their audiovisual collections.

The *Winter School* is a unique training on preserving audiovisual collections. The training sessions offer audiovisual collection holders a useful mix of lectures, hands-on workshops and interactive sessions with renown experts. Also, participants will work on case studies with peers from the archiving domain.

The *Winter School for Audiovisual Archiving* is an initiative from the **Netherlands Institute for Sound and Vision** in collaboration with **AVA Net**.

More information on the Winter School and registration can be found [here](#). Registration is open until December 18, 2017.

LONGER NEWS ITEM WINTER SCHOOL (WEB ARTICLE)

Apply now for Winter School for Audiovisual Archiving

We cordially invite you to participate in the third edition of the *Winter School for Audiovisual Archiving*. This edition will take place on 7,8 & 9 February 2018 on the premises of the Netherlands Institute for Sound and Vision. The deadline for [applications](#) is December 18, 2017.

The *Winter School* is a unique three-day training in Hilversum on preserving audiovisual collections, on 7,8 & 9 February 2017. The training sessions offer audiovisual collection holders and archivists a useful mix of lectures, hands-on workshops and interactive sessions with renown experts. Also, participants will work on case studies with peers from the archiving domain.

Digital Preservation

With the amounts and wide variety of born-digital media created on a daily basis, there is a growing need to implement and update audiovisual preservation plans in order to respond to the rising challenges of digital preservation. The *Winter School* offers archivists and collection holders of AV archives the necessary knowledge and skills to form or improve the digital preservation management of their audiovisual collections.

The *Winter School for Audiovisual Archiving* is organised by the [Netherlands Institute for Sound and Vision](#) in collaboration with [AVA Net](#).

The *Winter School* has been developed for collection holders and archivists from the Netherlands and abroad. The course language will be English.

Programme

We are currently in the process of building the programme and attracting guest speakers. All will be officially announced on the [Winter School website](#). To get an impression of the content of the training, you can find our report on the previous *Winter School* edition [here](#).
