

Title 'Eagle Eyed Vison' –

'LOLA Clips announces partnership for footage sales with the one a leading producer and distributor of music docs. Eagle Vison Entertainment'

LOLA Clips has now added a huge catalogue into its rapidly growing slate of partnerships like ITV GE and STUDIOCANAL with EagleVision. Eagle Vision are a leading producer and distributor of music based documentaries and high quality live concerts, covering all genres through Jazz, Blues and Soul to Pop and Rock. Eagle Vision's Harry Irving says 'Eagle Vision is delighted to be collaborating with LOLA clips. Sandra and Dom know the archive world inside out and their enthusiasm has been clear to see from the outset. In a fast developing market with a growing array of broadcast platforms providing new opportunities for film makers, we look forward to bringing our leading catalogue of Music related footage to new clients globally'

LOLA's Sandra Coelho who spearheaded the deal said "I've wanted this catalogue for LOLA as it not only adds to our increasing music catalogue but it cements LOLA Clips as one pf the most comprehensive sources of rights managed content anywhere in the world. We love this industry and our goal is to provide the highest quality material to our new and extremely loyal clients alike, the best service, material and experience out there."
