

Huntley Film Archives – Tell A Story with Archive part 2

Our second Tell a Story With Archive film showcases a superb soupcon of our wonderful collection of material featuring food and drink - from farming to fishing, preparation in the kitchen to wining and dining - we tell the story of how food gets on our plates. Tuck in! All of these films are available to view in their entirety and license through our website here. Or take a look at our whole collection of food and drink here!
